GHP statement on Racial Injustice in America

BLACK LIVES MATTER

During the Town Hall meeting, Steve McAlilly, Board Chair of the Center for Innovation, The Green House Project's umbrella organization read the recently released GH statement on racial injustice in our country.

We at The Green House Project recognize that more than 400 years of policies and regulations have led to cultural norms that adversely affect people of color in tragic and incredibly hurtful ways.

As an organization founded on the principles of equality, empowerment, and revolution, we are acutely aware of the work that it takes to make real, lasting change. This is why we are committed to making a difference not only through our words but also through our actions.

We stand together with the black community, we fully support the Black Lives Matter movement, and we want to do our part to help put an end to racism, discrimination, and violence against people of color.

Do You Like Positive Press?

Did you know Green House has been in the news more than 20 times in the last five months? AND we are talking about **prominent national, international, and local outlets** since COVID - 19.

We are so glad you are part of The Green House Project and we can elevate the amazing work you are doing!

During the Town Hall meeting Meg LaPorte, Director of Communication for the Green House Project discussed how you can use this press coverage to promote your GH homes.

Upcoming Webinars

Join us for a new webinar series designed for skilled nursing, assisted living, and small-house providers who want to transform their communities into person-directed, relationship-rich living environments.

This three-part series (on Sept. 16, Sept. 30, and Oct. 20) is based on a soon-to-be-released Green House 2.0 Design Guide, a timely resource that outlines key design elements essential to GHP's Cultural Transformation process.

What's Happening in Your Green House Home?

Who doesn't enjoy a snow cone in the summer?

When Phase II of reopening occurred in Kansas in July...team members from **SunPorch of Smith County** invited everyone to enjoy a snow cone!

Even Milo (lower right corner) got a piece of the action!
