Revolutionizing care to empower lives.

ROLE OF THE NURSE TRAINING IS COMING TO YOU!

PROBLEM

- Have you experienced turnover in the nurse role?
- Are nurses joining the teams without foundational Green House training?
- Do you wish you could easily resource nurses to effectively live the Green House model?

SOLUTION

This one day virtual class equips nurses to be effective clinical partners with Shahbazim in Green House homes to ensure clinical care excellence for all elders. Each organization that registers can send up to six nurses to the seven hour course.
